Hey Heidi, wasn't sure if you heard the news, but Flapjacks and I broke up.

That's right, I got dumped by the coolest cat that ever lived nine lives. Now, here I sit, a cat alone in the world, heartsick, yearning, a little sleepy. My therapist says it's good to share, so in an effort to lick my wounds, I've created "A Cat's Tale" an homage to the pain of a love gone bad.

Watch the movie I made using the new Punch-O-Matic animation tool from those cats over at PunchStock. It's no ball of yarn, but it's pretty cool.
